Kenion county's assessment for 1891 foots up \$28,601,815. Of this amount \$20, 39,230 is in the city of Covington. P. Chambers, Ben Perry, T. C. The increase for the county over the assessment for 1800 is a little more than one million dollars.

> The building of the Western Art Association collapsed at Omaha on Wednesday night. Boughrean's picture, "The Return of Spring," valued at \$20,000, and many other very valuable works on exhibition were ruined.

Mr. Tommie McFelia died at his home near Park, this county, some people of Frankfort boycotting days ago, at the advanced age of 100 years. He was said to have been the oldest man in the county, and almost in the State. He leaves several children .- Glasgow Times.

The Danville Advocate stys John M. Linney, of that city, is the father of are living-twelve of them boys. His at fact stirs the popular youngest child was born this week, and is a twelve-pound daughter.

Among the resolutions adopted by the Farmers' Alliance convention at of 1891 .- [Atlanta Omaha, was one declaring for a convention of one delegate from each State, to be held February 22, 1892, to fix a place and time for holding a conion at a recent vention to nominate Farmers' Alliany one to the Vice-President of the United States.

A petition from the vicinity of Hollock, Minn., has been received by the Government, asking for arms, ammunition, and also troops, as the Lake of the Woods Indians are arming and holding ghost dances. The settlers fear an outbreak. The Adjutant General has left for the scene of trouble to investigate.

A daring safe robbery was committed at Saltillo, Tenn., Wednesday morning. The safe at Craver & Williamson, merchants, was cracked by dynamite and several thousand dollars stolen. The explosion awoke a numand, it is believed, came from Louisville or St. Louis.

Messrs, Brown, Doolan and Browder, constituting the Executive Committee of the Farmers' and Laborers Union, were in session at the Fifth Avenue Hotel Tuesday evening, the subject under consideration being

as summoned to attend, but did not make his appearance. The committee 202 for W. H. Hatch, and 8,802 refused to reveal the result of its deliberations, or to say whether any conclusion had been reached. There is considerable speculation of one kind g, 16,903; Rusk, 20,746; scaattering, and another, but nothing is known at this writing .- [Courier-Journal.

The New York World calls Vice-President Morton "The Presiding Pocket-Book." It says: "When the present Administration was inaugurated. The World charged and proved McKinley bill; an that the Republican party had placed in the second office in the Government a man who owes his elevation solely to his pocket-book.' It is a pocket-book that is now presiding over the Senate, and it is administering parliamentary law and the rules of the Senate with the intelligence of a

Charley Stull, a colored trapper, living on Dix river, above the mouth o. These seed are all Clark's Run, caught, last week, abou wn, and their sprouting the finest specimen of an otter (Lutra been tested by compe- Canadensis) ever seen in this section. It measured three and a half feet in length, and very heavy. The old man said there were three of them, and he has repeatedly caught all of them within the last two years, but with defal of earth turned on the this exception the animals have always succeeded in getting out of the trap .-Danville Advocate.

The Paducah Standard says of the

tobacco crop of that section: "Enough is known now to speak advisedly of the 1890 tobacco crop, and during the erection of the Fair its prospects. Very little of the crop g proper. Some of the prop- has as yet changed hands from the that which has and from n gathered otherwise, it is

Ex-Governor Leslie, writing to a friend at Glascow from his new home in Helena, Mont., says: "We have here in Montana a number of Kentuckians, one or more from almost every county in the State, and I don't know one that has not proved a success. Indeed, as you have long ago seen and known. Kentucky has been for sixty years engaged in raising not only fine horses and pretty women, but brainy men as well, and furnishing them to the great Southwest and Northwest, who in every department of statesmanship and teaching, agriculture, and in the professions have made their native State to shine among the governments of the world. There are some notable instances out here in Montana and in other parts of this western country, of Kentucky men and Kentucky women rising up and standing out as shining stars."

The "Man About Town" who says many good things for t'e Louisville Times gets off the following. He evidently sees some things as he goes will testify:

"Don't hire a colored cook for your family until you have unmistakable evidence that she isn't running a go the better.

"If you'll look into that bundle, Wrapped so tenderly and neat, You will find it filled with sugar, Coffee, pickles, bread and meat; And with now and then a saucer,

Knife and fork and silver spoons, And you'll find that she is teeding Half a dozen hungry "coons."

"He sees things when he is on the 'keers' too: I went up to Cincinnati a few days ago on the O. and M. 'flyer,' and it 'flew.' There were two or three 'commercial tramps' who made themselves very conspicuous in trying to attract atention and the notice of some ladies. There are some 'drummers,' and they are not born in Africa or Ireland either, who, if they were deaf and dumb, and couldn't attract attention any other way, would more carnestly, perhaps, than might give their grips away for long tin have been the case when a peculiar horns just to make a most a kind of politics was in vogue in waron. Bath has already two egotistical asses mistake achair car or
